MISSION STATEMENT

"St. Matthew's C.E. Primary School is dedicated to providing an education which enables every child to fulfil his/her best potential. It seeks to promote academic, emotional and spiritual growth in a Christian environment, welcoming children drawn from diverse cultures".

School Sport Funding (2016-2017)

Schools are allocated a sum of money called the Primary P.E. and Sports Funding to support all children and improve the quality and breadth of P.E. and sport provision.

The allocation is calculated according to the intake of the school, and the school must decide how best to use the money to improve the breadth and quality of P.E. and sport provision, including increased participation in P.E. so that pupils develop healthy lifestyles and reach the performance levels they are capable of.

Our Primary P.E. and Sports Funding for 2015-16 was £9,779 and in 2016/17 is £9,802.
